Committee Reports

Repeaters: Kevin-VE4MR reported all working now.

Dan-VE4DRK noticed that early in the morning of May 1st that VE4CTY at Brandon City had lost it's connectivity. Darrell-VE4ACD went to city hall and repaired the issue. (Thanks Darrell and Dan...) To remedy the ongoing issue with VE4CTY, Darrell suggested a UPS should be considered. Jim-VE4JIM estimated a UPS cost at about \$250. Auke-VE4JAG and Dan-VE4IY have both offered a used UPS. For fire safety reasons, it is thought a new one would be best.

Jim-VE4JIM reported he planned to soon pick up the VE4SOU repeater in Winnipeg.

Web Page Report Alex-VE4ADJ Reported the webpage appears to be working fine.

Alex would head up a QSO party on May 10th if there is interest. Alex has taken possession of a 48' tower, and has it listed for sale at \$1,500. Call Alex at (204)724-9036.

RAC Report Kevin-VE4MR had not information to report on RAC. Kevin reminded that field day is on June 28 & 29.

Manitoba Ham Fest 2025 VE4JIM reported on HamFest activities by displaying a cap reflecting the upcoming HamFest and modelled a t-shirt and golf shirt available for club members. Caps to anyone are \$20, t-shirt \$15, golf shirt \$28.

NEW/Old Business

VE4ADJ reported on the tower, see above.
